This Time

Starsailor

In that moment I was frozen out
Of a story that I knew all about
Then I called her in the evening
My depression started lifting
I won't let it kill me
This time
I won't let it kill me
This time
Up to the surface came a feeling
Left me useless, left me reeling
I won't let it kill me
This time
I won't let it kill me
This time
When the beats run dry there's gonna be some blood
When the beats run dry there's gonna be some blood
When the beats run dry there's gonna be some blood
When the beats run dry there's gonna be some blood
When the beats run dry there's gonna be some blood
When the beats run dry there's gonna be some blood
I won't let it kill me
This time
I won't let it kill me
This time
I won't let it kill me
This time
I won't let it kill me
This time
I won't let it kill me
This time
