

Natural Reaction

Gomez

The photographs don't lie
We can't be alone, we can't be
Dangerous and sublime
Don't try this at home, don't try this We used to be invisible
Unlike you I like movin', I like movin'
Used to be invincible
Before you I liked movin', I liked movin' I get so nervous
Waitin' for a natural reaction
And I can't stop thinkin', you'll explode
Leave me a nervous wreck, nervous wreck The longest [Incomprehensible]
Ya it keeps me afloat, ya it keeps me
New York city I know
Don't pick up the phone, don't pick up We need to be invincible
Unlike you I like movin', I like movin'
Used to be invincible
Before you I liked movin', I liked movin' I get so nervous
Waitin' for a natural reaction
And I can't stop thinkin', you'll explode
Leave me a nervous wreck I can't stop thinkin'
I can't stop thinkin'
(I can't stop thinkin')
I can't stop thinkin'
(I can't stop thinkin') We need to be invincible
Unlike you I like movin', I like movin'
Used to be invincible
Before you I liked movin', I liked movin' I get so nervous
Waitin' for a natural reaction
And I can't stop thinkin', you'll explode
Leave me a nervous wreck
