

Misty

Clay Aiken

Advisory - the following lyrics contain explicit language:

Look at me
I'm as helpless as a kitten up a tree
And I feel like I'm clinging to a cloud
I can't understand
I get misty just holding your hand Walk my way
And a thousand violins begin to play
Or it might be the sound of your hello
That the music I hear
I get misty the moment you're near You can say that you're leading me on
But it's just what I want you to do
Don't you notice how hopelessly I'm lost?
That's why I'm following you On my own
Would I wander through this wonderland alone?
Never knowing my right foot from my left
My hat from my glove
I'm too misty and too much in love You can say that you're leading me on
But it's just what I want you to do
Don't you notice how hopelessly I'm lost?
That's why I'm following you On my own
Would I wander through this wonderland alone?
Never knowing my right foot from my left
My hat from my glove
I'm too misty and too much in love
I'm too misty and too much in love
