Misty

Clay Aiken

Advisory - the following lyrics contain explicit language:

Look at me I'm as helpless as a kitten up a tree And I feel like I'm clinging to a cloud I can't understand I get misty just holding your handWalk my way And a thousand violins begin to play Or it might be the sound of your hello That the music I hear I get misty the moment you're nearYou can say that you're leading me on But it's just what I want you to do Don't you notice how hopelessly I'm lost? That's why I'm following youOn my own Would I wander through this wonderland alone? Never knowing my right foot from my left My hat from my glove I'm too misty and too much in love You can say that you're leading me on But it's just what I want you to do Don't you notice how hopelessly I'm lost? That's why I'm following youOn my own Would I wander through this wonderland alone? Never knowing my right foot from my left My hat from my glove I'm too misty and too much in love
