Gang Signs

Tiara Thomas

I brought gang signs up but I'm not even affiliated
That's how you get murdered
I'll say and if that ain't enough give a million shits
Don't look like you ain't even promise it

No I don't even wanna die, die young uh
I'd rather die a virgin
No I don't wanna die, die young uh
I'd rather die a virgin
I'd rather shoot first

I'll dive, head first, in 2 feet of water
If you ever cheat money out yo fucking baby mama
Niggers always tryna halla from the backseat of the car
Shit pissed got me bent so fuck you and your collar bitch drops
I'm so G as in D, suck my dick
And if tugging were an exercise bitch I'm in this place
Doing check and so why we'
And I ride on my'one hand on my clap

I brought gang signs up but I'm not even affiliated
That's how you get murdered
I'll say and if that ain't enough give a million shits

No I don't wanna die young, die young uh
I'd rather die a virgin
No I don't wanna die young, die young uh
I'd rather shoot first

In give buck cripple everywhere I go
Fuck these hoes I though you crept outside while I put my lotion
Crossing in to that sosal zone

No I don't wanna die young, die young uh
I'd rather die a virgin
No I don't wanna die young, die young uh

So how would you react, you react, you react'
If I threw gang signs would you throw'em back'

Don't look like you ain't even promise it

No I don't wanna die young, die young uh
I'd rather die a virgin
No I don't wanna die young, die young uh
