

Destiny

Schiller

Sing my song,
Come Along, Right Now.Come to me
This is Destiny
Right now
Sing my song,
Come along
Right now.See my sign
Beyond the view of life
Right now
Come to me
This is Destiny
Right now.
See my sign
Beyond the view of life
Right now
Come to me
This is Destiny.Sorrow tears,
So many wasted years
Oh yeah
Heartbreak crying
Is such a waste of time
Oh yeah
Cause Life's too short.So,
Sing my song
Come along, right now.Come to me,
This is Destiny,
Right Now.
Come to me,
This is Destiny.Ooh ooh, ooh ooohLove and Pain
So many tears in vain
Oh yeah
Heartbreak Nights
And sleepless City Lights
Oh YeahTu are you tu are you are you tu are you tu ooh (x4)Oooh Ooh Ooh
