Damon Little

I Won't Be Defeated - Damon LittleI won't be defeated

Oh no

I won't give up now

Because I've come too far to let my problems get me downI won't be defeated

(Just can't give up now)

I won't give up now

(I've come, yeah)

Because I've come too far

To let my problems get me downSometimes, in this life

We deal with misery and strife

And it seems like the enemy is gonna do you inWell, you tell him today

That his tricks were just a delay

And you refuse to let him

take you out this way. NooooI won't be defeated. Nooo

(Just can't give up now)

I won't give up now

(I've come, Lord)

Because I've come too far

To let my problems get me down(Repeat the Chorus)It's been rough for me this year

I've learned some things

along the way

But, He didn't bring me this far

To leave me now(Repeat the Chorus) 2x'sYou can me it my brother

Hold on my sister(Because I've come too far to let my problems get me down)
