Fields of Haar-Meggido

Behemoth

NARRATION:
observe the message from the darkside of the moon
spectral warrior all in icy steel
as I proudly touch my cold weapon
the pagan steel sighs with the fullmoonWARRIOR:
so the war has just began
enslaved nations of the tombworld
can finally reach their weaponsNARRATION:
evil arrives in glory, comes on the four winds
and the masters of hellthrones
ride the darkness on devilwings
forces of the earth unleash the stormsJEHOWAH:
final day is here my children
lambs of christ, my believers
we must destroy the reign of evilNARRATION:
and the holy armies of heaven rode the sky
all the angels saw the abyssic fire
and some of them threw the swords in fear
and fell down into the pitHORDES OF THE GOATLORD:
our mayhemic, bloody steel
with the thunders of the drums
wil crush the weak holynessNARRATION:
the forces gathered down the haar-meggido
spilt with hate all the angels blood
in black chaos hell reignsWARRIOR:
so we won together with the evil winds
streams of blood flow through the land
open for the sons of satan
