To Love Somebody

James Carr

There's a light, a certain kind of light that never shone on me
I want my life to lived with you, lived with you
There's a way everybody say to do each and every little thing
But what does it bring if I ain't got you, ain't got? Baby
You don't know what it's like, baby
You don't know what it's like
To love somebody, to love somebody
The way I love you
In my parade, I see your face again, I know my frame of mind
You ain't got to be so blind and I'm blind, so, so, so very blind
I'm a man, can't you see what I am? I live and breathe for you
But what good does it do if I ain't got you, ain't got? Baby
You don't know what it's like, baby
You don't know what it's like
To love somebody, to love somebody
The way I love you
You don't know what it's like, baby
You don't know what it's like
To love somebody, to love somebody
The way I love you
You don't know what it's like
You don't know what it's like
You don't know what it's like
To love somebody, to love somebody
