So in Love

Chick Corea

Strange dear, but true, dear
When I'm close to you, dear
The stars fill the sky
So in love with you am IEven without you
My arms fold about you
You know, darling, why
So in love with you am IIn love with the night mysterious
The night when you first were there
In love with my joy delirious
When I knew that you could careSo taunt me and hurt me
Deceive me, desert me
I'm yours 'til I die
So in love
So in love
So in love with you, my love, am I
