

Radio

Hot Water Music

Shaking like a dog shittin' razorblades
Waking up next to nothing as you're dreaming
You and me waking up all alone
Waking up so relieved While you're taking your time with apologies
I'm planning my ways of revenge, red eyes on orange horizons
If Columbus was wrong I'd drive straight off the edge
I'd drive straight off the edge Taking your own life with boredom
I'm taking my own life with wine
It helps you to rule out the sorrow
It helps me to empty my mind You're making the most of a bad time
I'm smoking the brains from my head
Leaving the coal, calling the kettle black and orange red
This kettle is seeing red I've got a big fat fuckin' bone to pick with you, my darling
In case you haven't heard I'm sick, tired of trying
I wish you would take my radio to bathe with you
Plugged in and ready to fall Shaking like a dog shittin' razorblades
Waking up next to nothing after dreaming
Of you and me waking up all alone
Waking up so relieved While you're taking your time with apologies
I'm planning my ways of revenge, red eyes on orange horizons
If Columbus was wrong I'd drive straight off the edge
I'm seeing red I've got a big fat fuckin' bone to pick with you, my darling
In case you haven't heard I'm sick and tired of trying
I wish you would take my radio to bathe with you
Plugged in and ready to fall Plugged in and ready to fall
Plugged in and ready to fall
Plugged in and ready to fall
