

Don't Calm The Storm

Westlife

You say you need some time on your own
You say we should put our love on hold
But, baby, don't leave me now all alone in the cold
You said you believed in us
But now your walking away from me
Chorus: Don't calm the storm..(keep a walking baby)
Just walk out that door
Or you'll stay a while..(but you stayed a while)
And we'll make it right
Don't be afraid
I know how to ease my pain
I know there were things I said that were wrong
... Girl, I always knew where my heart belonged
If you want me to walk away I will, but it hurts me so
Oh baby, open your eyes
open ur ever Hear me now
heam me now It doesnt have to be this way
CHORUS x2
