

# Lift the Wings (from Riverdance)

**Michael Ball**

How can the small flowers grow  
If the wild winds blow  
And the cold snow is all aroundWhere will the frail birds fly  
If their homes on high  
Have been torn down to the groundLift the Wings  
That carry me away from here and  
Fill the Sail  
That breaks the time to home  
But when I'm miles and miles apart from you  
I'm beside you when I think of you - a Stirn a GrHow can a tree stand tall  
If the rain won't fall  
To wash its branches downHow can a heart survive  
Can it stay alive  
If its love's denied for longLift the Wings  
That carry me away from here and  
Fill the Sail  
That breaks the line to home  
But when I'm miles and miles apart from you  
I'm beside you when I think of you - a StirnAnd I'm with you when I think of you - a Stirn  
And a song will bring you near to me - a Stirn a Gr
