(Feels Like) Heaven

Fiction Factory

Heaven is closer now today
The sound is in my ears
I can't believe the things you say
They echo what I fearTwisting the bones until they snap
I scream but no one knows
You say I'm familiar, cold to touch
And then you turn and goFeels like heavenSee how we planned for saddened eyes
And tears to pave the way
I fought the fever as I knew
My hair returned to grayStudy your face and fade the frame
Too close for comfort now
We can recall the harmony
That lingered but turned sourFeels like heavenYou wanted all I had to give
See me, I feel, see me, I live
