

# Doin' It Again (remix)

Ll Cool J

Uh he huh, remix that joint, word up  
We had to remix that joint, smooth it out  
Uh he huh, yeah, no doubt, doin' it, yeah  
Yeah, uh uh doin' it, woo  
Feeling is strong, uh doin' it  
Yeah uh, yeah, it's me and Jimmy  
I'm in the mood for something wild and obscene  
I hear dat, I'm gettin' tired of the same ol' routine  
I need some drama, oh, here I come L, tattoos and dim lights  
Black young niggette want you's to get it right  
Huh, that's all I need, we got two mouths to feed  
You talkin' about some love to the six indeed, so uhh  
Lay back and let'cha Daddy do it  
A real mack stay on track, he got the run, right through it  
Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
I represent Queens, she was raised out in Brooklyn  
Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
I represent Queens, she was raised out in Brooklyn  
I slowed it down 'cause we was amplifore  
Halfway, all the way, now ya gettin'  
Raw to the \*\*\*\*, sick wit' it  
Ain't to proud to beg, boy, that's why I had to hit it, uhh  
I'm in the zone gettin' bedrooms props  
I'm talkin' outside scenarios, Ac's and parking lots  
Word, you goin' there, can back seats and wild treats  
Daddy do his thing, it's part of my mystique  
I'm havin' visions on sunsets and waterfalls  
Your hands are in the air, you're up against the wall  
What you lookin' for? Point it out  
Promise I'ma get it, send it to me, right away rule, wanna hit it  
Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
I represent Queens, she was raised out in Brooklyn

Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
I represent Queens, she was raised out in Brooklyn  
I need that new Benz, you in it, testin' my limits  
Laid back, cut, now I twist some lyrics  
Sharin' cream like it's love, I'm ready now  
What you say when I put it on, you lovely girl  
You can never hesitate to do your thang, true  
Although you come from Queens, I'ma treat you like a king  
Where you from? Brooklyn  
Honey-coated, in front of genius, gettin' \*\*\*\*\* in the 'lacs  
Tell me why you never wanna see your ex again?  
Hey Lover, you separate the Boyz from the Men, that's a fact  
It's well known why you lick your lips  
Yeah, blowin' bubbles in blup-blup-blup  
You makin' me wonder if doin' it's everything it seems  
You make me shiver, standing up in ya straight and then I lean  
Tell me here, I love it when ya way up in my mix  
Everything is butter in the 9-to-the-6  
Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
I represent Queens, she was raised out in Brooklyn  
Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
I represent Queens, she was raised out in Brooklyn  
Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
Doin' it and doin' it and doin' it well  
I represent Queens, she was raised out in Brooklyn  
Uh ha ha, oh man, y'nuhmean  
Big Rochon, Baby Chris, LeShaun  
Rock on, LL Season baby
