

Sandy Mary

Fleetwood Mac

there's a girl i love sandy mary is her name

there's a girl i love sandy mary is her name

She got those bony bare looks, Enough to drive a vegetarian insane
She do not read so well, made the teacher go
back to school

Do not read so well, make the teacher go back to school

A bony bare baby, yes, and I'm her bare bony fool
When we're lovin'

Sandy Mary

Get so high

feel so ready

Hold me baby

hold me darling

Feel my love come,

to you fallin'

Hold me baby

hold me darling

Hold me baby

hold me darling

Feel my love

come to you fallin' now YEEEEAAHH

Sandy Mary, Sandy Mary

Now, baby, you're the one for me, yeah

Sandy Mary, Sandy Mary

Now, baby, you're the one for me

You got just what it takes

To make a flesh-eater out of me break: When we're lovin'

Sandy Mary

I get so high

feel so ready

Hold me baby

hold me darling

Feel my love come,

to you fallin'

Hold me baby

hold me darling

Hold me baby

hold me darling

Feel my love come, to you fallin' There's a girl I love, Sandy Mary is her name

There's a girl I love, Sandy Mary is her name

Got those bony bare looks, Enough to drive a vegetarian insane
Sandy Mary, Sandy Mary - now, baby, you're

the one for me
Sandy Mary, Sandy Mary - now, baby, you're the one for me
You got just what it takes to make a flesh eater out of me.
