

Arizona John

The Rarely Herd

Arizona John

-Jeff Weaver, Ronnie Reno, ?2004 Rarely Herd Music, Buck Snort Music, BMI

E) (A) (B) (E)

Arizona John was as tall as they come, and dark as the dungeon fodder

(E) (F#) (B)

Hair coal black with a heart to match and cold as the Seneca water

(C#m) (E) (C#m) (E)

He was a tall dark desperate man, he holds the ladies by the hand

(F#) (B) (E)

Ol' Ari - zona John

(E) (A) (B) (E)

Sarah's smile, a beauty to the eye, and mine for a year in September

(E) (F#) (B)

Too much time on his evil little mind and I wasn't there to protect her.

(C#m) (E) (C#m) (E)

She caught the fire from a tall dark man, he held my Sarah by the hand

(F#) (B) (E)

Ol' Ari - zona John

(A) (G#m) (F#m) (B) (E)

Bad news flies like a star falling from the sky

(A) (G#m) (F#m) (B) (E)

Burns your heart and you don't know the reason why

(C#m) (E)

I got a fire that will never grow cold

(C#m) (E)

And it's burning right down to my soul

(F#) (B) (E) (F#) (B) (E)

Over Ari - zona John, over Ari - zona John

When I caught John he was on the run, the law in my hands went blazin'

Cut him down then flew into town, to comfort my Sarah's wailing

I had be-come that desperate man, when I lost my Sarah's hand

Over Ari - zona John

Bad news flies like a star falling from the sky

Burns your heart and you don't know the reason why

I got a fire that will never grow cold

And it's burning right down to my soul

Over Ari - zona John, over Ari - zona John
