

Beautiful Mistake

Campsite Dream

hey

do you promise me your'e everything we used to be
now nothing feels like coming round

hey dear oh pardon me

you might don't wanna to argue with
but everything comes back around

yeah only seven days ago you told me that you love me so
my mind is going no no no

we will never be everything we used to be babe all you do is run your mouth

(ohhhh)

(ohhhh)

don't worry i am gonna be okay

(ohhhh)

(ohhhh)

don't worry your'e just a beautiful mistake

your'e just a beautiful mistake

(ohhwaaay)

(ohhwaaay)

(ohhwaaay)

your'e just a beutiful mistake

(ohhwaaay)

(ohhwaaay)

(ohhwaaay)

hey

now nothing feels like coming round
