It's Easy

Boston

Hey, I've got no place to be and no one I'd rather see
I won't mind if you can find the time to stay with me
I've got no time for wastin', I gotta live a life well I can
I won't hide and you decide to let me be your man'Cause when I get close to you, not much to say
I get that same old feelin' I had in my younger daysAnd I can show you the way
It's just a game we play
It's easy, takin' it day by day
It's easy, easy, easyHey, you know I would concede and I think we both agree
You and I can testify that love is what we need
Just take a look around you, livin' for the future is blind
I believe what we achieve will soon be left behindThe things that I try to say, so hard to find
When you doubt what your llife is about let me ease you mindAnd I can show you the way
It's just a game we play
It's easy, takin' it day by day
It's easyHey, I've got no place to be, no one I'd rather see
I won't mind if you still find that you're in love with me
We got no time to worry, gotta live a life when I can
I won't hide if you decide to let me be your man'Cause when I get close to you, not much to say
I get that same old feelin' I had in my younger daysAnd I can show you the way
It's just a game we play
It's easy, takin' it day by day
It's easy, takin' it day by day
