

# Cosmic Love

**Mayer Hawthorne**

If I had a dollar  
For every dream of you and me  
I'd buy myself a rocket  
And shoot into your galaxy  
There wouldn't be no parts unknown  
I'd search every uncharted zone  
And when it's time to come back home  
I'll send ya  
My antenna is pointed at

My cosmic love  
Youâ€™re my cosmic love  
From the stars above  
You're my cosmic love

Incoming transmission  
I'm crashing through your atmosphere  
There's no interference, no  
I read you darling loud and clear  
Because you're my

My cosmic love  
Youâ€™re my cosmic love  
From the stars above  
You're my cosmic love

(My cosmic love from up above  
You are the one Iâ€™m thinking of  
My cosmic love) my cosmic love
