

Tangled Up In Me

Skye Sweetnam

You wanna know more, more, more about me
I'm the girl who's kicking the Coke machine
I'm the one that's honking at you
'Cause I left late againHey, hey, heyCould you see I want you by the way I push you away? Yeah
Don't judge me tomorrow by the way I'm acting today
Mix the words up with the actions
Do it all for your reaction, yeah
Hey, hey, get tangled up in meYou wanna know more, more, more about me
Gotta know reverse psychology
I'm the reason why you can't get to sleep
I'm the girl you never get just quite what you seeHey, hey, heyCould you see I want you by the way I push you
away? Yeah
Don't judge me tomorrow by the way I'm acting today
Mix the words up with the actions
Do it all for your reaction, yeah
Hey, hey, get tangled up in meYou think that you know me
You think that I'm only
When everything I do is only to get tangled up in you
You wanna know more, more, more about me
I'm the girl that's sweeping you off your feetHey, hey, heyCould you see I want you by the way I push you
away? Yeah
Don't judge me tomorrow by the way I'm acting today
Mix the words up with the actions
Do it all for your reaction, yeah
Hey, hey, get tangled up in me
