

Billy Ruskin

Ed Sheeran

Mr Ruskin, come and paint my picture
We're losing sleep 'cos we steal the week
Now who's your best friend?
Can you introduce me?

See I can't seem to even let you breathe
When I dance with Billy Ruskin in my mind's eye
Please let me forget that I'm standing on my own
And I am my own best friend and I need me to see
That I am more than what is hiding in me
Come and show me, if you can

See I know you're me
But I can't seem to understand
If you know me, place my hand on mine
And we will resurrect the time
That we lost, when you left my mind
It's psycho-paranoia disappearing in time
Come and show me, what makes you tick
I need you to get out of my mind quick
When I dance with Billy Ruskin in my mind's eye
Please let me forget that I'm standing on my own
And I am my own best friend and I need me to see
That I am more than what is hiding in me
