

I Don't Dance (Live at Floores)

Jon Wolfe

Yeah I like this song too
And that dress looks good on you
I know it sounds crazy in a place like this
And any other guy would tell you yes
Don't take this personal, but I gotta tell you no I don't dance, 'cause once we get on the floor
Every song I'll hold you closer than the one before
And you know that'll lead to a couple of drinks
Before you know it we'll be back at your place and
You might ask me to stay the night
And I'll be gone by the morning light
And that would break your heart
And I don't wanna take that chance
So I don't dance You see the last girl I was with
Oh yeah she really did me in
I ain't over her yet, honey I won't lie
If I was in your arms, she'd be on my mind
As much as I'd like to
As much as I like you I don't dance, 'cause once we get on the floor
Every song I'll hold you closer than the one before
And you know that'll lead to a couple of drinks
Before you know it we'll be back at your place and
You might ask me to stay the night
And I'll be gone by the morning light
And that would break your heart
And I don't wanna take that chance
So I don't dance And I might look like a fool
Sittin' all night on this stool
But it's all that I can do I don't dance, 'cause once we get on the floor
Every song'll bring us closer than the one before
And you know that'll lead to a couple of drinks
Before you know it we'll be back at your place and
You might ask me to stay the night
And I'll be gone by the morning light
And that would break your heart
And I don't wanna take that chance
So I don't dance
I don't dance
