

Naturally

Selena Gomez

How you choose to express yourself
It's all your own and I can tell
It comes naturally
It comes naturally You follow what you feel inside
It's intuitive, you don't have to try
It comes naturally
It comes naturally And it takes my breath away
what you do so naturally You are the thunder and I am the lightning
And I love the way you know
Who you are and to me it's exciting
When you know it's meant to be Everything comes naturally, it comes naturally
When you're with me, baby
Everything comes naturally, it comes naturally
Bay-bay-baby You have a way of moving me
A force of nature, your energy
It comes naturally
It comes naturally, yeah And it takes my breath away
What you do, so naturally You are the thunder and I am the lightning
And I love the way you
Know who you are and to me it's exciting
When you know it's meant to be Everything comes naturally, it comes naturally
When you're with me, baby
Everything comes naturally, it comes naturally
Bay-bay-baby When we collide sparks fly
When you look in my eyes
It takes my breath, away You are the thunder and I am the lightning
And I love the way you
Know who you are and to me it's exciting
When you know it's meant to be Everything comes naturally, it comes naturally
When you're with me, baby
Everything comes naturally, it comes naturally
Bay-bay-baby Naturally
Naturally
Naturally
Bay-bay-baby Naturally
Naturally
Naturally
Everything, baby, comes naturally Naturally
Naturally

Everything, baby, comes naturally
