Naturally

Selena Gomez

How you choose to express yourself
It's all your own and I can tell
It comes naturally
It comes naturallyYou follow what you feel inside

It's intuitive, you don't have to try

inve, you don't have to

It comes naturally

It comes naturally And it takes my breath away what you do so naturally You are the thunder and I am the lightning

And I love the way you know

Who you are and to me it's exciting

When you know it's meant to be Everything comes naturally, it comes naturally

When you're with me, baby

Everything comes naturally, it comes naturally

Bay-bay-babyYou have a way of moving me

A force of nature, your energy

It comes naturally

It comes naturally, yeahAnd it takes my breath away What you do, so naturallyYou are the thunder and I am the lightning

And I love the way you

Know who you are and to me it's exciting

When you know it's meant to be Everything comes naturally, it comes naturally

When you're with me, baby

Everything comes naturally, it comes naturally

Bay-bay-babyWhen we collide sparks fly

When you look in my eyes

It takes my breath, away You are the thunder and I am the lightning

And I love the way you

Know who you are and to me it's exciting

When you know it's meant to be Everything comes naturally, it comes naturally

When you're with me, baby

Everything comes naturally, it comes naturally

Bay-bay-babyNaturally

Naturally

Naturally

Bay-bay-babyNaturally

Naturally

Naturally

Everything, baby, comes naturallyNaturally

Naturally

Everything, baby, comes naturally
