

Marrakech (Revolution mix)

[ATB](#)

Ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventure (Marrakech adventure)
A ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventure (Marrakech adventure) That familiar sound,
Explains what I'm feeling
I'm both lost & found,
Never been there before That familiar sound,
Explains what I'm feeling
I'm both lost & found,
Never been there before Chorus:
A ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventure (Marrakech adventure)
A ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventure (Marrakech adventure) (Chorus) Can't tell you how,
I even came to get here
Mysterious
Everything I hold dear That familiar sound
Explains what I'm feeling
I'm both lost & found
Never been there before (Chorus) Marrakech adventure
Marrakech adventure
Marrakech adventure
Marrakech adventure That familiar sound...
Explains what I'm feelin'...
I'm both lost and found...
Never been there before...
