

# Holocaust

## Placebo (Acoustic Set )(musikdesire.com)

Your eyes are almost dead  
Can't get out of bed  
And you can't sleep You're sitting down to dress  
And you're a mess  
You look in the mirror You look in your eyes  
Say you realize Everybody goes  
Leaving those  
Who fall behind Everybody goes  
As far as they can  
They don't just care They stood on the stairs  
Laughing at your errors Your mother's dead  
She said  
"Don't be afraid" Your mother's dead  
You're on your own  
She's in her bed Everybody goes  
Leaving those  
Who fall behind Everybody goes  
As far as they can  
They don't just care You're a wasted face  
You're a sad-eyed lie  
You're a holocaust
