

# Under The Waves

**Russell Allen/Jorn Lande**

I lie still at the border  
But my visions are broken  
Head caught in the torment  
Cruel as the ocean Dreams are made in the distance  
I will not be among them  
Silence is killing me  
And I can hardly touch the ground I am deep in a river  
Waves above my head  
Help with no spirit  
We descend, we reach the end I am deep in a river  
Waves above my head  
Help with no spirit  
We descend, we reach the end I am deep in a river  
Waves above my head  
Help with no spirit  
We descend, we reach the end We descend  
We reach the end
