

Kick Drum

G. Love & Special Sauce

Kick, kick with the drum lick
Talkin' 'bout a girl named nikki nikki suckin' on my (whuh?)
She can't hang with the dang-a-lang
So just swang everybody say "hay!"
I come, come with the kick drum (kick drum)
Come on and gimme some (why don'tcha)
Come on and gimme some (why don'tcha)
Come on and gimme some (and let me) Kick, kick with the drum lick
Talkin' 'bout a girl named nikki nikki suckin' on my (whuh?)
She can't hang with the dang-a-lang
So just swang everybody say "hay!"
I come, come with the kick drum (kick drum)
Come on and gimme some (why don'tcha)
Come on and gimme some (baby, why don'tcha)
Come on and gimme some (sing it for me) Sing it for me yeah
Baby sing it for me (she want's tah)
Swing low, baby swing low
In case you didn't know
That's the way it goes
