

Killing Time

Jae Stephens

We're standing outside of an old 7-11
There are things we should be doing,
Things that we're forgettingThe sun's going down yeah
It's setting rather nicely
I've got a Coke
You've got an Arizona Iced TeaTime ticks on
Time that we're wasting
Our future's running from us,
But we're not doing no chasingThis is life
This is how it's always been
Tomorrow it'll probably happen all over againYeah there's some drama
But it ain't like the movies
None of us are knocked up
Or strung out like we could beYeah we've got issues
But we're doing just fineKilling time
Killing timeI wake up
It's already two in the afternoon
Alarm is off, my pillow soft
Yeah there's no need for snoozeYou say,
"Hey, what are we gonna do today?"
I say,
"I don't know,
I've got no money anyway."There's gotta be more to life than this
A lot of answers we don't have,
A couple boys we kissedFor the most part,
We make it all up as we go
Cause we wouldn't wanna interrupt the natural flowYeah there's some drama
But it ain't like the movies
None of us are knocked up
Or strung out like we could beYeah we've got issues
But we're doing just fineKilling time
Killing timeYeah there's some conflict
But it's not what's on tv
We've got no money
Just time to live it freelyWe don't want trouble,
No we're just living lifeKilling time
Killing timeThinking every day should be an episode of Skins
Well your mother won't let you
So you can think againThinking your life should be an episode of Degrassi

I'm making sure I stay alert
So nothing gets past meBarely doing enough to get by
Mediocre life meeting the satisfactory lineAll summer and all year long
You're sitting on the curb
Singin' the same old songYeah there's some drama
But it ain't like the movies
None of us are knocked up
Or strung out like we could beYeah we've got issues
But we're doing just fineKilling time
Killing timeYeah there's some drama
But it ain't like the movies
None of us are knocked up
Or strung out like we could beYeah we've got issues
But we're doing just fineKilling time
Killing timeYeah there's some conflict
But it's not what's on tv
We've got no money
Just time to live it freelyWe don't want trouble,
No we're just living lifeKilling time
Killing time
