In My Mind

The Sheepdogs

If I have no words
itâ€™s a road that winds
Cause you to travel
hard on the search
you left to find
Oh, itâ€™s in my mind

Carry by the surf
You were washed
by the tide
I came upon you,
some might say,
in the nick of time
Oh, itâ€™s in my mind

Stop wasting time
It was all in my mind
An oasis of fear
It was just me in mind
Gotta leave it behind
It was all in my mind,
in my mindâ€¦

I put it in a song
but the words they lie
The memories unravel
raising a heaping
bushel of shine
Oh, itâ€™s in my mind

Stop wasting time
It was all in my mind
An oasis of fear
It was just me in mind
Got to leave it behind it
It was all in my mind,
in my mindâ€¦

If I have no words
itâ€™s a road that winds

Cause you to travel
hard on the search
you left to find
Oh, itâ€™s in my mind

Stop wasting time
It was all in my mind
An oasis of fear
It was just me in mind
Got to leave it behind
It was all in my mind,
in my mindâ€¦
