Advisory - the following lyrics contain explicit language:

Home, It's becoming a killing field
There's a cross hair locked on my heart
With no recourse and there's no one behind the wheel
Hell fire, You're wiping me out, killed by Drones, (killed by)
Drones (killed by) You rule with lies and deceit
And the world is on your side
'Cause you've got the CIA, babe
But all you've done is brutalise
Drones! War, war just moved up a gear
I don't think I can handle the truth
I'm just a pawn
And we're all expendable
Incidentally
Electronically erased
By your Drones, (killed by)
Drones (killed by) You kill by remote control
The world is on your side
You've got reapers and hawks babe
Now I am radicalized
Drones! You rule with lies and deceit
And the world is on your side
'Cause you've got the CIA, babe
But all you've done is brutalise You kill by remote control
The world is on your side
You've got reapers and hawks babe
Now I am radicalized
Here come the drones!
Here come the drones!
Here come the drones!
