My One Thing That's Real

Ronan Keating

I hope you feel the same way I feel
My one thing that's real
And I pray you're mine to the end of time
Thank God you're aliveIn this world of pain
You've never changed
You're sun through the rainWorld look at us, yeah
We've got an everlasting love
And I know there's a God above
Because He sent you, youThis is our life
There's no time to fight
You're my guiding lightWorld look at us, yeah
We've got an everlasting love
And I know there's a God above
Because He sent you, youI hope you feel
The same way I feel
My one thing that's realOne, two, three, fourMy one thing that's real
My one thing that's real
