Yummy down on yummy down on this down on
Yummy down on yummy down on this down on
Yummy down on yummy down on this down on
Yummy down on yummy down on this down on Ouch it won't reach my mouth
If I could do it myself I'd probably never leave the house
But I can't so here's where you come in
Giving it "Diffrent Strokes" just like Arnold Drummond
Hummin' hmm hmm good like Campbell's
And you'll handle the sack like the quarterback Randall
Cunningham like Joanie loves Chachi
They call him Ralph Mouth 'cause he's down on Potsie
Rocky chasing the chicken
Watch the plot thicken with the cock when your lickin'
Me like Apollo your Creed my Mission
You go down for the count I countdown ignition
Blast off you're a rocket scientist
A genius what I mean is you suck at this
So escargot 'cause my snail needs Frenchin'
You must be five stars cause my staff's at full attention Yummy down on this down on this down on this
Yummy down on this down on this down on this
Yummy down on this down on this down on this
Yummy down on this down on this down on this Yummy down on yummy down on this down on
Yummy down on yummy down on this down on
Yummy down on yummy down on this down on
Yummy down on yummy down on this down on Dinner for one I know you got your reservations
Starvation like a Third World Nation
So do it for the children and I'll make a donation
My fly's in your eyes let me rise to the occasion
In my Underoos I tend to be brief
So when you're sinking your teeth deep into my beef
You can fondle but it's kind of like McDonald's realize it's
Just a Happy Meal so you can't Super Size it
Told to hold the pickle then you went and blew it
Gherkin off and the Special Sauce comes included
But you knew it did so concentrate like Tropicana
To eat a Chiquita you need to grow the banana
So can ya Bob like Dylan on my Peter like Criss
'Til it's Chubby like Checker c'mon baby do the twist
It's all in the wrist like table tennis

So beat me like Betty Crocker cake mix Yummy down on this down on this down on this
Yummy down on this down on this down on this
Yummy down on this down on this down on this
Yummy down on this down on this down on this Suck it suck it suck it suck it suck it suck it
Suck it suck it suck it suck it suck it suck it suck it
Suck it suck it suck it suck it suck it suck it suck it
Suck it suck it suck it suck it suck it suck it If you were a Hindu I could aim for the dot Yummy down on this
Yummy down on this Yummy down on this throbbing pole of hot man chicken.
And feel free to wiggle dunk those purple bulldog cheeks.
