

# I Know U Know

## Basshunter

I Think Its Time That You Let Go  
At The End Of The Day I Know You Know

[Were Is My DJ?]

I Know You Know  
Our Love Faded A Long Time Ago  
Now Its Time TO Move On

[Now Go Insane]

I Know You Know  
The Time We Had  
Felt Like Sunshine In Our Eyes  
But Now Its Time For Me To Go

[Like This.. Hit It]

[Are You Ready For This?]

[Were Is My DJ?]

I Think Its Time That You Let Go  
At The End Of The Day I Know You Know

I Know You Know  
Our Love Faded A Long Time Ago  
Now Its Time TO Move On

I Know You Know  
The Time We Had  
Felt Like Sunshine In Our Eyes  
But Now Its Time For Me To Go

[Hit It]
