

# Because of You

Marques Houston

Yo

You're my everything, you know  
Everything that I ever wanted  
Check it Girl, I must confess  
From the first time I saw you  
Thought to myself, don't I know you?  
Girl, you stole my heart And I cannot lie  
Wish I was your kind of guy  
Wish I was the one that you wanted to claim  
Wanted to spend your time with Baby, your love  
Got me goin' out my head  
Got me thinkin' strange feelings, girl  
You're the only one that makes me feel this way And baby, your love  
Got me imaginin' what it looks like in the mirror  
Girl I'm so glad that I got you  
I'm so glad that you're with me You're more than the answer  
For every question I have  
There's no way that I deserve you Girl, you got me soarin'  
So high in this love, I know it  
Girl, my everything is  
Because of you Now girl, don't tell me twice  
I knew when I looked in your eyes  
It was gonna be you and I  
They brought you into my life and So come into my world  
Wanna be your boy  
I want you to be my girl  
The one that I love  
I put above everything Baby, your love  
Got me goin' out my head  
Got me thinkin' strange feeling got me  
You're the only one that makes me feel this way And baby, your love  
Got me feelin' like I'm in heaven  
Got me flyin' over the moon  
I wanna be the one you comin' home to You're more than the answer  
For every question I have  
There's no way that I deserve you Girl, you got me soarin'  
So high in this love, I know it  
Girl, my everything is  
Because of you You're more than the answer

For every question I have  
There's no way that I deserve you Girl, you got me soarin'  
So high in this love, I know it  
Girl, my everything is  
Because of you Girl, I swear  
(From the bottom of my heart)  
I'll never forget baby, that  
My everything is just stepped to me  
And everything you do  
Girl, I'm so in love because of you You're more than the answer  
For every question I have  
There's no way that I deserve you Girl, you got me soarin'  
So high in this love, I know it  
Girl, my everything is  
Because of you You're more than the answer  
For every question I have  
There's no way that I deserve you Girl, you got me soarin'  
So high in this love, I know it  
Girl, my everything is  
Because of you
