

# Dust In the Wind

[Sarah Brightman](#)

I close my eyes, only for a moment and the moment's gone  
All my dreams pass before my eyes in curiosityDust in the wind  
All they are is dust in the windSame old song, just a drop of water in an endless sea  
All we do crumbles to the ground, though we refuse to seeDust in the wind  
All we are is dust in the windDon't hang on, nothing lasts forever but the earth and sky  
It slips away and all your money won't another minute buyDust in the wind  
All we are is dust in the windDust in the wind  
Everything is dust in the wind
