Leave You Alone

Kris Allen

I've never been the one
for saying the right thing
And I messed up again
broke your heart
without even trying
And I blamed it on you
but there is no evidence for my case
And I know the truth
but I still can't point the blame in my face
So I'll grab my coat
and see you tomorrow
Tell you what I'm gonna do to make it up to you tonight
I'm gonna leave you alone
Leave you alone
'cause I don't know any other way to try to make it right
I'll just leave you alone
I'll leave you alone tonight
You probably know
that you did nothing this time

But I made it known
that I'm not gonna give up being right
So I'll grab my coat
and see you tomorrow
I'll tell you what I'm gonna do to make it up to you tonight
I'm gonna leave you alone
Leave you alone
'cause I don't know any other way to try to make it right
So I'll just leave you alone
I'll leave you alone
I'll tell you what I'm gonna do to make it up to you tonight
I'm gonna leave you alone
I'll leave you alone
'Cause the only thing this stubborn heart knows how to do is fight
So I'll just leave you alone
I'll leave you alone tonight
I need you to know that I don't want to go
And leaving this wrong is the last thing I want
But I've tried all I could and said what I should

But I can't stand to fight so I'll leave you alone tonight
