

# Don't Say Goodbye

[Rick Astley](#)

Don't say goodbye, girl  
Goodbye, girl  
Don't make me cry girl, cry girl  
'Cos I love you, love you Used to have such fun, used to have good times  
But now those days are gone  
Used to have it all, used to get on fine  
But things just went wrong Used to be in love  
Thought we had it made  
But everything has changed  
We just grew apart no one is to blame Woh, woh, woh, woh  
Time has made us strangers  
Maybe we can't go on  
But if love can take the changes Don't say goodbye, girl  
Goodbye, girl  
Don't throw it all away  
'Cos I love you  
Yes I do, yes I do Don't make me cry, girl  
You're my girl  
Don't say goodbye to me  
'Cos I love you  
Yes I do, yes I do We could go along saying things were fine  
But we're just fooling ourselves  
Maybe we should talk it out right now  
And put things on the line Everyone in love  
Goes through times like these  
It's just part of the game  
I remember, I used to call your name Woh, woh, woh, woh  
Things don't have to be this way  
Love is the answer now  
Maybe we could start again today Don't say goodbye, girl  
Goodbye, girl  
Don't throw it all away  
'Cos I love you  
Yes I do, yes I do Don't make me cry, girl  
You're my girl  
Don't say goodbye to me  
'Cos I love you  
Yes I do, yes I do Don't say goodbye, girl  
Goodbye, girl

Don't say goodbye, girl  
Goodbye, girlDon't say goodbye, girl  
Goodbye, girl  
Don't say goodbye, girl  
Goodbye, girlWoh, woh, woh, woh  
Time has made us strangers  
Maybe we can't go on  
But if love can take the changesDon't say goodbye, girl  
Goodbye, girl  
Don't throw it all away  
'Cos I love you  
Yes I do, yes I doDon't make me cry, girl  
'Cos you're my girl  
I couldn't live without you, no  
'Cos I love you  
Yes I do, yes I doDon't say goodbye, girl  
Goodbye, girl  
I want to spend my life with you  
'Cos I love you  
Yes I do, yes I doDon't make me cry, girl  
You're my girl  
Don't say goodbye to me  
'Cos I love you  
Yes I do, yes I doDon't say goodbye, girl  
Goodbye, girl  
I want to spend my life with you  
'Cos I love you  
Yes I do, yes I doDon't make me cry, girl  
You're my girl  
I couldn't live without you, no
