One More Chance

Disappear Fear

(3:06)
Just give me One More Chance
to get next to you
make it up to you
Give me One More Chance
To love you soulfully
like you live for me
Anything you say
Anything you want
Everything I pray for
Resembles you a lot
I know we're different
We're worlds apart
but you convinced me
to give you my heart
I call you up
But you're not there
I hate the telephone
I hate the air
I know how hard you tried to be
the perfect lover in the universe for me.
