

# Better Find Jesus

Mason Proffit

Verse One:

You talk about the world and how it's wrong and right  
You scream and talk peace and then you're ready to fight  
Throwing a brick in the name of love, talking but you never settle anything.

Chorus:

You better find Jesus,  
You better find Jesus,  
You better find Jesus,  
You better find love.

Verse Two:

Let's take a look now at main lines  
Did you ever listen to a soldier, listen to his side?  
He'll tell you about a woman, she can run and make a  
You receive her she throw you a bottle, and more too.

Repeat Chorus:

Bridge:

Welllllllllllll, you may not agree with what I'm trying to say  
Let me tell you brother, that's okay  
I ain't gonna push onto you what I believe  
But it might work for you, 'cause it worked for me.

Repeat chorus 3X:

You better find love.  
You better find love.  
You better find love.  
You better find love.
