

It Hurts Me Too

Canned Heat

Whittaker You said you was hurtin', almost lost your mind
'Cause the man you love hurt you all the time (note 1)
But when things go wrong, wrong with you
It hurts me too You love him a little more, when you should love him less (note 2)
Why pick up behind him and take his mess
'Cause when things go wrong, wrong with you
It hurts me too You love another man, little girl you know I love you
But you love him and stick to him just about like glue
'Cause when things go wrong, wrong with you
It hurts me too
Well he'd better leave you, or you'd best put him down
'Cause you know I just can't stand to see, see you pushed around (note 3)
'Cause when things go wrong, wrong with you
It hurts me too
