I'll Keep You Safe

Sleeping At Last

Iâ€™ll keep you safe
Try hard to concentrate
Hold out your hand
Can you feel the weight of it
The whole world at your fingertips
Donâ€™t be, donâ€™t be afraid
Our mistakes they were bound to be made
But I promise you Iâ€™ll keep you safe

Youâ€™ll be an architect so pull up your sleeves
And build a new silhouette
In the skylines up ahead
Donâ€™t be, donâ€™t be afraid
Our mistakes they were bound to be made
But I promise you Iâ€™ll keep you safe
Iâ€™ll keep you safe

Darkness will be rewritten
Into a work of fiction, youâ€™ll see
As you pull on every ribbon
Youâ€™ll find every secret it keeps
The sound of the branches breaking under your feet
The smell of the falling and burning leaves
The bitterness of winter
Or the sweetness of spring
You are an artist
And your heart is your masterpiece
And Iâ€™ll keep it safe

Dismiss the invisible
By giving it shape
Like a clockmaker fixes time
By keeping the gears in line
Donâ€™t be, donâ€™t be afraid
God knows that mistakes will be made
But I promise you Iâ€™ll keep you safe

As you build up your collection
Of pearls that you pulled from the deep
A landscape more beautiful than anything that Iâ€™ve ever seen

The sound of the branches breaking under your feet
The smell of the falling and burning leaves
The bitterness of winter
Or the sweetness of spring
You are an artist
And your heart is your masterpiece
And Iâ€™ll keep it safe
