

Have a Peanut Butter Sandwich

Art Paul Schlosser

Have a peanut butter sandwich
Have a peanut butter sandwich
Are you depressed ?
Have a peanut butter sandwich
Are you bored ?
Have a peanut butter sandwich
Have some milk
Have some Kool-ade
Have a peanut butter sandwich
Have a peanut butter sandwich
Do you like White bread ?
Do you like Wheat bread ?
Do you like Rye bread
Have a peanut butter sandwich
Have some cake
Have some ice cream
Have a peanut butter sandwich
Why are you worried
About your weight ?
Have a peanut butter sandwich
Have a peanut butter sandwich
Elvis like his
With Bananas
Have a peanut butter sandwich
Have another peanut butter sandwich
Have another peanut butter sandwich
You can always join weight watchers
Have a peanut butter sandwich
Have a peanut butter sandwich
Everybody sing with me
Have a peanut butter sandwich
I can't hear you
Have a peanut butter sandwich
Wear it on your head
Have a peanut butter sandwich
Stick it in your nose
Have a peanut butter sandwich
Have your mom
Over for dinner

Have peanut butter sandwiches
Have peanut butter sandwiches
 Invite all your friends over
 To watch the game
Have a peanut butter sandwich
Have a peanut butter sandwich
 Everybody now
Have a peanut butter sandwich
 I can't hear you
Have a peanut butter sandwich
Have a peanut butter sandwich...
