

Money Straight

Plies

Hey *** it ain't no mother*** secret no more ***
Yeah, I got my mother*** chips straight ***
You *** better hope I don't go broke ***
'Cause if I do I'ma be layin' in your mother*** bushes ***
I'm ridin' on 28s
(You know my money straight)
I drink 'Gnac everyday
(You know my money straight)
Ask the strippers, do I play?
(You know my money straight)
I'm in the mall everyday
(You know my money straight)
I'm ridin' on 28s
(You know my money straight)
I drink 'Gnac everyday
(You know my money straight)
Ask the strippers, do I play?
(You know my money straight)
I'm in the mall everyday
(You know my money straight)
I'ma at 'em in the club, beast in the mall
If you want it better cop it 'fore I buy it off
Finna show you lil' rookie *** how to ball
Don't you size me, lil' *** if your money small
Got choppers and money so I'm ready for war
Got a *** pin your *** to the wall
Drop ten on the eights, I like to sit tall
And if you want the *** tell me and I'll buy her, dawg
I drink 'Gnac, don't *** with Cris' at all
Draggin' bag *** bust stacks in the mall
You smoke regular or 'preme, homie, it's your call
It ain't *** to me *** 'cause I'm a big dawg
You don't know when the Feds comin' so you better ball
Livin' mine on the edge mother*** the law
I'm gettin' more money now *** than I done ever saw
And I can afford to smoke it a hundred dollar 'gar
I'm ridin' on 28s
(You know my money straight)
I drink 'Gnac everyday

(You know my money straight)

Ask the strippers, do I play?

(You know my money straight)

I'm in the mall everyday

(You know my money straight)

I'm ridin' on 28s

(You know my money straight)

I drink 'Gnac everyday

(You know my money straight)

Ask the strippers, do I play?

(You know my money straight)

I'm in the mall everyday

(You know my money straight)

I buy whips on the regular, soak 'em in candy

You know I'm in the strip club 'cause all the *** happy

Soon as I hit the mother*** doe I'm spendin' cabbage

Spend somethin' or get the *** from 'round me crabbins'

Me and the goons caked up blowin' money laughin'

Ask the *** that know me, I'm big dawg status

It ain't V.S.O.P. I want it, don't even ask me

Blew a stack on that *** 'cause I seen you hackin'

Got my pistol on me *** that's why I'm actin'

'Gnaced up and *** up, ready to make it happen

Rather be the *** that everybody wanna rob

Then be that *** dawg that everybody seen starve

I get money *** that's my mother*** job

And I ain't goin' broke no more *** I swear to God

'Cause when you ballin' *** that's when that hatin' start

I know one way to go *** and that's hard

I'm ridin' on 28s

(You know my money straight)

I drink 'Gnac everyday

(You know my money straight)

Ask the strippers, do I play?

(You know my money straight)

I'm in the mall everyday

(You know my money straight)

I'm ridin' on 28s

(You know my money straight)

I drink 'Gnac everyday

(You know my money straight)

Ask the strippers, do I play?

(You know my money straight)

I'm in the mall everyday

(You know my money straight)
I'm out right now, a hundred thousand dollar bonds
*** must thought a *** ain't have the funds
Got out the same day *** and bought more guns
Beggin' one of these *** to play dumb
So I can *** around and give their *** the whole drum
Took plenty losses, bounced back off every one
Ain't never asked one of you *** to hold somethin'
Then why you mad at me *** 'cause you ain't me?
Ain't been in the mall five minutes and done spent a G
They tell the truth about me *** I'm who you wanna be
I gave her two hundred for the *** 'cause I'm *** for free
If you a *** you probably don't *** with me
How much I paid for the watch dropped, fifty-three
Bought that and another crib the same week
And all my rent paid for *** I ain't leasin'
It's official you *** gon' [Incomprehensible]

I'm ridin' on 28s

(You know my money straight)

I drink 'Gnac everyday

(You know my money straight)

Ask the strippers, do I play?

(You know my money straight)

I'm in the mall everyday

(You know my money straight)

I'm ridin' on 28s

(You know my money straight)

I drink 'Gnac everyday

(You know my money straight)

Ask the strippers, do I play?

(You know my money straight)

I'm in the mall everyday

(You know my money straight)
