

A Song for Everyone

Fenix TX

Well I know that it's late but the words wouldn't wait
I'm really sorry that I woke you up
I don't know what's come over me
If I'm wrong let me know
Do you think I should go?
But before you give an answer think of somewhere you'd rather be
All that I have
Twenty six dollars and the keys to a Cadillac
All that I know
Drive all night go anywhere you wanna go
All that I want and all that I need
All I wanna know is, do you wanna come with me?
You deserve more than this, packing guilt for a trip
I never thought that I would get this far
Searchin' for the words to say
Summer wind desert stars
All of this could be yours
You know it only takes two words and we'll both be on our way
All that I have
Twenty six dollars and the keys to a Cadillac
All that I know
Drive all night go anywhere you wanna go
All that I want and all that I need
All I wanna know is, do you wanna come with me?
All I have, all I know
I changed the station and our song is on the radio
All I have, all I know
Drive all night, go anywhere you wanna go
All I have, all I know
I changed the station and our song is on the radio
All I have, all I know
Drive all night, go anywhere you wanna go
Drive all night, go anywhere you wanna go
Drive all night, go anywhere you wanna to
