

# Too Late For Goodbye

## Randy Rogers Band

You say we need to talk like I don't know  
You start speaking soft trying to break it to me slow  
You say you think you need some time away from us  
Baby let me beat you to the punch It's too late, it's all gone  
You had your chance, you took too long  
Like you always do, I won't wait for you  
It's not a game, it's not your choice  
Must be strange to hear my voice saying  
Don't come back this time  
It's too late for goodbye After all the hell you've put me through  
When you start cryin' I didn't feel bad for you  
In fact it kind of made me smile to see all those tears  
It's the least that you could do for me my dear It's too late, it's all gone  
You had your chance, you took too long  
Like you always do, I won't wait for you  
It's not a game, it's not your choice  
Must be strange to hear my voice saying  
Don't come back this time  
It's too late for goodbye I know where I'll be  
Somewhere you won't find me  
In the arms of someone new  
Who ain't a damn thing like you It's too late, it's all gone  
You had your chance, you took too long  
Like you always do, I won't wait for you  
It's not a game, it's not your choice  
Must be strange to hear my voice saying  
Don't come back this time  
It's too late for goodbye It's too late for goodbye
