If It's The Last Thing I Do

Frank Sinatra

If it's the last thing I do, I'll make you mine Darling the first thing is you, in my design Just like the stars guard the moon above me Thats just how I'll guard our love, so love me Please love me If it's the last thing I do, I'll take your hand And though I won't say a word, you'll understand I'll build a dream just for two And then I'll make it come true If it's the very last thing I do Just like the stars guard the moon above me Thats just how I'll guard our love, so love me Please love me If it's the last thing I do, I'll take your hand And though I won't say a word, you'll understand I'll build a dream just for two And then I'll make it come true If it's the very last thing I do
