# Kicks

## UK Subs

Get my kicks on speed
A fast car is all I need
Get my kicks on you
A lot of time little to do[Chorus]
Kicks for depression
Need my kicks for my aggression
Kicks for depression
Kick oppressors and oppressionGet my kicks on money
Window shopping with my honey
Get my kicks feel alright
Sleep all day stay out all night[repeat chorus]Get my kicks at night
Fall about when I get tight
Get my kicks in bars
Soft lights and loud guitars[repeat chorus]
