

# God Is So Amazing

## Will Downing

Imagine someone who can change everything in your life  
Someone who can take all your wrongs and make them right  
He carries all your pain and strife  
If you just dedicate your life to Christ  
Someone who will always be there for you when you're down  
Right there beside you, Jesus will always be around  
He can be all these things for you  
You must believe in Christ and see what He'll do  
Reff:  
God is so amazing, He is so amazing  
Let's bless Him and praise Him  
And show what God has done  
He is so amazing, God is so amazing  
Let's bless Him and praise Him  
And show that God is love  
Someone who will comfort your heart and ease all your doubts  
Somehow you know Jesus will always work it out  
He can do all these things for you  
If you believe in Him, He'll always see you through  
Someone who's there for you no matter where you are  
A friend when you're in need, you are His shining star  
A guiding light that help you make it through your day  
You must believe in Him, He'll always lead the way
